Prayer Dedication Service Changed! The time has come for us to do a formal Prayer Dedication Service for our construction project. We will meet on the new property at 2pm on a Sunday to be determined in November following our regular worship service. There will be places for you to park on the new driveway. For those that can, we ask you to park in the driveway of the Old Taylor House off of Highway 19 to make room for our guest and those that have difficulty walking. Please invite your friends and neighbors to share with us in this special time of worship.

Life Springs 101 is our membership preparation class. The next class will be on Sunday, **October 26th** immediately following the Worship Service. We will have lunch and spend a couple of hours learning what it means to be a member of Life Springs. There is no cost for this class, but please sign up in the Narthex so that we can provide adequate food for lunch. If you cannot attend this class, more classes will be offered in the future. See Pastor Kyle for more information.

Stuffed animals for children in need! At Life Springs we are about making a difference in people's lives, and none are more precious than children. We are collecting new and gently used stuffed animals to help children in need. Please place them in the box located in the Narthex and we will get them to the children. Thank you!
